Threat Intelligence Threat Actors are Finding Their Way into Your AI Summaries Aug. 3, 2026
| Many malicious links and websites are finding their ways into the "AI overviews" in popular search engines when users look for financial institutions. By Ginny Spicer

The image is a composite. On the left, there is a blue circular icon containing the letters 'AI' and a white checkmark. In the center, a large block of C++ code is displayed, showing various system-level operations and resource management functions. On the bottom left, the Netcraft logo is visible, consisting of a stylized 'N' followed by the word 'netcraft' in a bold, sans-serif font.
