## July 2026 Web Server Survey

In the July 2026 survey we received responses from 1,494,915,628 sites across 305,348,459 domains and 14,772,048 web-facing computers. This reflects an increase of 5.5 million sites, 1.2 million domains, and 118,277 web-facing computers. OpenResty experienced the largest gain of 39.5 million sites (+49.1%) this month, and now accounts fo...
