Cookie Preference Center

When you visit any website, it may store or retrieve information on your browser, mostly in the form of cookies. This information might be about you, your preferences, or your device, and is mostly used to make the site work as you expect. The information does not usually identify you directly, but it can give you a more personalized web experience. Because we respect your right to privacy, you can choose not to allow some types of cookies. Click on the different category headings to learn more and change our default settings. Blocking some types of cookies may impact your experience of the site and the services we are able to offer.

Manage Consent Preferences

Always Active

These cookies and tracking technologies are required to help our Websites work correctly or required to comply with the law (e.g., security requirements of data protection law). For example, these cookies allow you to navigate our Websites and use essential features, including secure areas and shopping baskets. We do not need to obtain your consent in order to use these cookies.

Cookies Details

Analytics Cookies

These cookies and tracking technologies help us understand how customers and visitors interact with our Websites. They provide us with information about areas of our Websites visited, time spent on our Websites, transactions performed, and any error messages you receive. These cookies allow us to improve the performance of our Websites. They may collect your IP address but only for the purpose of identifying general locations of visitors and identifying fraudulent or spam traffic.

Cookies Details

Functional Cookies

These cookies and tracking technologies allow our Websites to remember choices you make to give you better functionality and a personalized experience. For example, features such as take-a-tour or customer feedback.

Cookies Details

Advertising Cookies

These cookies and tracking technologies allow us to deliver content, including advertisements, relevant to your specific interests. This content may be delivered on our Websites or on third party websites or services. They allow us to understand and improve the relevancy of our advertisements. They may track personal information, including your IP address.
